Thank you for being a loyal Wells Fargo customer. We value your trust in our company and look forward to continuing to serve you with your financial needs.

Other Wells Fargo Benefits

Vet travel sites and agents to help avoid vacation scams

Scammers use AI to create realistic ads, booking sites, and even follow-up emails to steal your money and personal information.

A few smart habits can help protect your trip - and your wallet:

- **Use official sites and apps.** Fake travel sites often appear in search ads and are designed to steal your payment or login details.
- **Don't click links in unexpected or urgent emails.** Scammers may hack real reservation emails to request extra fees.
- **Be careful with sponsored customer service search results.** Scammers buy ads with fake airline or hotel customer service numbers. Travelers often encounter these scams during flight delays or cancellations.
- **Think twice about unusually cheap deals.** Too-good-to-be-true prices - especially amid today's rising travel costs - are a common scam tactic.

Slow down and verify before you click, call, or pay. Report suspicious messages or charges right away.
